EVENTS FROM 2017-2022

AWARENESS OF TREND IN TECHNOLOGY:

The Assam Kaziranga University, as an educational institute initiates best awareness programs for the students, to make them advanced with knowledge. These programs are not only on technology but to experience the students with technology in every possible area of aspect of society.

Hence following are some of the best awareness programs conducted by the institute in the last 5 years.

Tribal Samvaad “a tribal conclave organized by TATA Steel at Jamshedpur

a) Report of the event:

Tshering Lepcha, Assistant Professor, School of Social Sciences, The Assam Kaziranga University, was invited as one of the resource persons for the Tribal Samvaad – a tribal conclave organised by TATA Steel at Jamshedpur from 15-19 November 2019. The main agenda of the workshop was to discuss various tribal healing practices and how these practices can be sustained, documented and certified.

The workshop was quite interesting and well-conducted. More than 130 healers from all over the country participated in the workshop along with international healers attending the workshop from different parts of the globe including South Africa, Mexico, Cameroon and Uganda. The resource persons were invited from various universities, organisations and presidents of healer's associations.

Various case studies have been presented in the workshop followed by interactive discussion sessions. There were also discussions on traditional and modern medicine, and how they can be used for bridging the gaps in universal access to healthcare. The discussions were made on state, national and international tribal healers associations. At the end of the conclave, the national tribal healers' association was formed. The workshop provided ample opportunity to learn and meet various other resource persons, healers and officials.

b) Glimpse of the event:

2. Workshop on weather forecasting, crop planning, soil health management, promoting fishery camp, making housing resilient in flood- affected areas:

a) report of the event:

Kaziranga University organised a Community-Experts Interface Workshop on weather forecasting, crop planning, soil health management, promoting fishery & making housing resilient in flood-affected areas in collaboration North-East Affected Area Development Society (NEADS), Humanitarian Aid International (HAI) with support from HCL Foundation on 26th Sept 2019. It is part of the initiative of early recovery support to the flood-affected community of Golaghat - Assam. Scientists and experts from Assam Agriculture University, District Fishery Office and Jorhat Engineering College facilitated different sessions and provided a number of practical inputs which can reduce the vulnerability, strengthen the livelihood system and make the community more resilient to calamities like flood.

3. IBM Workshops conducted at Kaziranga University on 9th and 19th March 2018:

a) Report of the event:

As part of IBM Innovation Centre for Education program (IBM ICE), two workshops were held by IBM Subject Matter Experts on Cloud and Business Analytics, on 9th and 19th March

2018 respectively at Kaziranga University, which were attended by all 4th semester students in CSE, ECE and EE departments. The workshop on Cloud Computing, conducted by Mr. Senthil Kumar, provided hands-on experience in Type 2 Virtualization using “ESXi” Server 6.5, Installation and configuration of KVM, VPN and VLAN in a virtualized environment. The BA workshop was conducted by Mr. Kaushik Banerjee of IBM Kolkata who focused on Data Warehouse, ETL and Business Intelligence concepts, where students got a good understanding of tools such as Informatica, SAP BO and IBM Watson Analytics. The IBM Subject Matter Experts also had meaningful faculty interaction that would help KU to further strengthen the IBM ICE program going forward

4. SKF India’s 5th YES Skill Development center Launched at Kaziranga University:

a) Report of the event:

In line with Kaziranga University’s commitment to imparting professional education and training courses in various fields of education for the well-being of society, a YES Skill Development Centre was launched at the KU campus, established in collaboration with SKF India.

This Centre was inaugurated by Mr. Manish Bhatnagar, MD SKF India and Dr. M.D Khetan, Chancellor, Kaziranga University, on 18th December 2018, in the presence of several esteemed dignitaries including Mr. Shrikant Savangikar, Director, SKF, Mr. Ram Kolavenu, COO, Sambhav Foundation, Mr. S.B Singh, National Sales Head (East) TVS Motors, Ms. Nilanjana Mukherjee, Key Accounts Manager Sambhav Foundation, Shri Basant Khetan, Pro-Chancellor, Kaziranga University, Dr. P.K Mishra, Vice Chancellor, Kaziranga University, Ms. Rainy Khetan, Director, Kaziranga University and Prof. Tarun Kumar, Registrar, Kaziranga University.

The Skill Development Centre will conduct various programmes providing necessary auto-technical skills and training to high-school drop-outs and other underprivileged youth groups from around the region, and enable them to venture out into skilled professions and technical jobs. Established at Kaziranga University, under SKF India Ltd.’s flagship Program YES (Youth Empowerment at SKF), this Skill Development Centre not only aims to provide job-oriented training to the youth, but also boost entrepreneurship in the region by providing seed money of Rs. 2 Lakhs to budding entrepreneurs, and helping them contribute towards the infrastructure development of the North East.

Kaziranga University, along with SKF India, will play a lead role in opening the floodgates, and giving a push to the much-needed entrepreneurship and employability in the region, marking the start of a new beginning for the underprivileged youth in North East India. As a part of the collaboration, Kaziranga University has also provided necessary infrastructure for the Skill Development Centre, such as training rooms and laboratories, along with the setting up of arrangements for a Business Incubation centre, set up along SKF guidelines.

Dr. M.D Khetan, at the launch, commented on the opportune time that this collaboration has been set up, opening up avenues not just for students from around the region, but also for those of underprivileged backgrounds. This collaboration is also a matter of pride for Kaziranga University, as it is another step towards achieving the furtherance of the vision of the organization - the empowerment of the youth of North East India by providing them the skills required to excel in their lives.
