Graeme Swann

N, OCT 10 (IANS): Graeme Swann says Pietersen, despite his talent, is not the man to lead England. Swann said appointment of Strauss as the captain is the best thing to happen to English cricket and led the way to the No.1 world

There is no doubt that Strauss is a good player, a really good man, but he was never the man to captain England in my opinion," Swann says in his autobiography, "The Outsiders." "Some of the better leaders of the game, for all his abundance of talent, is not one of those leaders." Swann prefers the leadership of Strauss, saying the point of the Chennai 2008, Pietersen decided to screaming at everyone. "I

Wisden set to launch India edition

LONDON: Aiming to cater to the ever-growing Indian market, Cricket bible Wisden is set to launch a separate edition in India next year, focussing on all areas of the game from Tests to domestic cricket.

Cricket in India has grown by leaps and bounds with the one billion-plus population lapping up new formats like the Indian Premier League, and the new edition will aim to become the independent voice of cricket in the sub-continent. "The chance to marry Wisden's age-old strengths with the 21st century home of the game was too good to ignore," said Wisden editor

screaming "F***** bowl f***** straight at everyone."

"I wouldn't say he was a useless captain, but he wasn't my sort of captain and we've ended up with the right man. I can't really work out why Strauss demands respect, but he does."

"He always seems to press the buttons with me and says exactly what I'm thinking. He's to the point and meaningful and I'd be really upset with myself if he ever felt it necessary to dress me down." Swann was quoted as saying in the book.

national team again in the future. He said: "Yeah, why not? I'm surprised that he's not had a go with another country. He's boxed quite clever, going back to Lancashire and doing well with them." (PTI)
